

▪ Field Major in applied optics and studies on Biophotonics

▪ Name Nam, Gi-bong

▪ Title Dean

▪ Office Engineering building 1240

▪ Tel 033)248-2051

▪ email kbnaem@hallym.ac.kr

| Educational background

1981 ~ 1985 University of Arizona (Doctor of Science - The Department of Physics)

1980 ~ 1981 Ohio University (Master of Science - The Department of Physics)

1973 ~ 1977 Seoul National University (Bachelor of Science - The Department of Physics)

| Major careers

2016 ~ (present) Dean of the Department of Applied Photophysics

2000 ~ 2001 Chief Housemaster of Dormitory of Hallym University

1998 ~ 1999 Dean of the Department of Physics

1994 ~ 1995 Dean of the Department of Physics

U.S., Univ. of Arizona the Department of Physics

U.S. Univ. of Arizona Researcher of the Department of Physics
